Kelsale Pre-School

Kelsale Pre-School is now open in the Main Hall in Kelsale Village Hall every afternoon during term-time. We held an Open Day on 3rd September to show people our new premises and it was very well attended. The children enjoyed playing and the adults supped tea while having their questions answered!

We are a small and friendly group offering educational and development opportunities to children from two and a half years to school age. We are run by a committee of parents and currently have twelve children on our books.

As members of Suffolk's Early Years Development Plan, we are approved to offer children a free place from the term following their third birthday. To be eligible to offer these places we are inspected by OFSTED (the same as schools) and a report is made.

The move to the Village Hall took place during the Summer Holidays, and it was largely due to the helpfulness of the Village Hall Committee and the hard work of Sue and Ruth, the Pre-School Supervisor and Deputy, that the changeover was smooth and hassle-free. The Poacher's Pocket in Rosemary Lane very generously held a quiz evening in support of the Pre-School and donated the proceeds of £250 to us, in order to buy much-needed new equipment.

If you would like a copy of the prospectus, or if you would like more information about Kelsale Pre-School, please telephone Sue Scopes, the Pre-School Supervisor on **01728 604099** or Sara Ball, the Pre-School Treasurer on **01728 830208**
